## About Me

I've always sought out opportunities and challenges that are meaningful to me. I enjoy using my obsessive attention to detail. I have unequivocal love for programming, especially for javascript. I'm constantly learning technologies and other coding related topics, currently playing around with flutter and Golang. I like sports bikes, literature, classical music, thunderstorms and Linux.  
I'm a huge fan of Nusrat fateh ali khan, Begum Akhtar, Pt. Bhimsen Joshi and Sharadchandra Chattopadhyay.
