Playing With Flutter
Raspberry Pi and Arduino

Environment	Editors	OS
	VS Code	Debian / Ubuntu

4.5+ Years Experience **YAPSODY INDIA** June 2019 - Current
Software Engineer

- * Increased notification delivery system by 40%.
- * Responsible for development to deployment for owned microservices.
- * Major services I have built here.
 1. Conditional Form (survey). Dynamic in nature. Next move based on answers.
 3. Testing Tool (E2E). Introduced and built a tool to test APIs using swagger file configurations.
 2. Notification Manager (used all possible power of aws for mail, sms). Very dynamic in nature. Using for bulk notification like - campaign, promotion, system generated and more.

3D CLUB HOUSE January 2018 - June 2019
Software Engineer (Team Size 1)

- * Handled all technical aspects and built entire web app (development to deployment).
- * Converted monolithic architecture to microservices.
- * Moved everything in a private VPC. * Worked on a C++ engine to analyse 3D files.
- * Connected 3D Printer to web application using raspberry.

MOUSE BELLY March 2017 - Jan 2018
Software Engineer

- * Worked on MEAN stack, android, raspberry and arduino. (food delivery startup).

Other Works Created a **CLI** to generate modules in my projects as per my boilerplate.
Worked on **GPS, relay, and camera live streaming remotely** with **Raspberry Pi 2/3**.
Worked as freelance on many freelance project.

Education **MCA**
Abdul kalam Technical University (UPTU) - India —[2018]

GNIT
NIIT - Delhi, India [2017]

About Me I've always sought out opportunities and challenges that are meaningful to me. I enjoy using my obsessive attention to detail. I have unequivocal love for programming, especially for javascript. I'm constantly learning technologies and other coding related topics, currently playing around with flutter and React. I like sports bikes, literature, classical music, thunderstorms and Linux.
I'm a huge fan of Nusrat fateh ali khan, Begum Akhtar, Pt. Bhimsen Joshi and Sharadchandra Chattopadhyay.

Personal	Date Of Birth	03 - March - 1994
Details	Language	Hindi, English

I do hereby declare that the information furnished above is true to the best of my knowledge and belief.
